

Oak Hall School

Middle and Upper School Uniform Requirements

In recognition of the connection between standards of dress and performance, and the spirit of professionalism, Oak Hall School has established guidelines for school dress and personal appearance. As a school, we are committed to the value proposition of school uniforms, both from the standpoint of financial cost, and for the intrinsic values of equity and unity that school uniforms bring to our learning community.

This School Uniform Guidebook sets forth the School's uniform policy, which all Middle and Upper School students are expected to adhere to throughout the school day. Dress code violations may result in disciplinary action. Requests for deviation from the uniform policy or appearance standards should be made to the Division Director and will be decided case-by-case.
